

Best Doctors Individual Membership

Best Doctors helps Canadians navigate the healthcare system through one-on-one coaching and connects seriously ill individuals and their local treating physicians with world renowned specialists to confirm the correct diagnosis and correct treatment plan, all without them ever having to leave home.

BEST DOCTORS SERVICES

INTERCONSULTATION™

– provides you with an in-depth review of your

medical files by Best Doctors world renowned specialists to confirm the right diagnosis and right treatment options. You and your doctor benefit from the valuable insights of top medical experts and there is constant guidance and support from Best Doctors Member Advocates.

BEST DOCTORS 360°™ – helps you navigate the healthcare system and take control of your own healthcare. By providing ongoing one-on-one support, customized health information and access to local resources, Best Doctors 360° is not just for serious illness, but can help all members.

FINDBESTDOC™ – Best Doctors will locate a specialist if you do not have one and will assist in arranging referrals¹, appointments and accommodations if out-of-town travel is necessary².

FINDBESTCARE® – Best Doctors will access hospital and doctor discounts if out-of-country care is necessary and will ensure vital information is sent to the medical specialists involved².

The InterConsultation service is at the core of everything Best Doctors does. It provides members with additional information, answers their questions and reassures them that their diagnosis and treatment plan are appropriate. And they never have to leave their home.

Dedicated to your case

When you call Best Doctors, a Member Advocate, a Registered Nurse will be dedicated to your case and will support you throughout the entire process. Your Member Advocate is available to speak with you whenever you have questions.

Your complete medical records– digitized

Your Member Advocate will take a complete medical history on your behalf, collecting all of your medical records, including diagnostic results and pathology – at no additional cost. Your medical records will be digitized and securely encrypted, creating an electronic record of all your medical information.

All pathology is retested

Best Doctors multi-disciplinary team of Harvard-trained physicians will complete an in-depth analysis of your medical files. All pathology will be retested, at no cost to you.
